

Stronger Than A Bully

For years Mobile Ed has received requests asking that we please offer some kind of anti bullying program. And there is no doubt that a need exists in schools for assistance in this area. Bullying leads to depression, low self esteem, health problems, poor grades and even suicidal thoughts. Bullying creates an environment where students have trouble learning, feel insecure, and dislike school. Plus studies have shown that 23 percent of students in grades 4-6 have been bullied several times and 8% are bullied weekly. Clearly this is a problem that needs to be addressed.

Stronger Than A Bully is based on techniques aimed at empowering the victim, this fast paced interactive school assembly program is packed with important lessons imparted through lots of audience participation, magic, ventriloquism, role playing, comedy and FUN!

Stronger Than A Bully features extensive use of two acronyms designed to push important points aimed at helping students avoid becoming the victim of a bully.

The first of these is **S.M.I.L.E.** which stands for: **S**tay cool, **M**ake eye contact (take a positive posture), **I**dentify the attack (verbal, physical, extorting, cyber, etc), **L**ead positive conversation, **E**rase the attack. These represent the actions for the person being bullied.

The second acronym explains the actions a bystander should take. **H.E.R.O.** or -

Help out (get involved), **E**mpathize (identify with the victim), **R**espond with proper action and **R**eport the incident. **O**pen communication (talk about it with the victim).

This awesome new program is an exciting, fun and important new addition to Mobile Ed's roster of programs, and one we are sure your school will love! Invite Stronger Than A Bully into your school this year and start a trend to bring bullying to an end. You will be glad you did!

One of the best, if not the best, assembly we have had on this topic. Our staff was quite impressed.
